

## General Education Committee

February 14, 2007, 2:00 p.m., Provost's Conference Room

In Attendance: Drs. Sarah Blackwell, Tristan Denley, Maurice Eftink, Rich Forgette, Chalres Gates, Tim Hall, Mary Harrington, Glenn Hopkins, Jeanette Martin, Johnny Lott, Murray Nabors, and Peter Quinn

1. The General Education Committee reviewed the history of previous installments of this committee and related committees, the existing statement of General Education goals, accreditation requirements, and the assessment processes that have been put in place over the past decade.
2. Endorsement of the use of program-level student learning outcomes grids. The General Education recommended the adoption of program learning outcomes grids for all undergraduate programs, with the grids including a mapping of general education learning outcomes for each program. After discussion, the attached grid was adopted as the template to distribute to academic programs.
3. The Committee adjourned at 4:15 p.m.
